Mooresville, NC, April 21, 2009 – Accounting Technology, a magazine published monthly by SourceMedia, announced that **Innovative Solutions Group, Ltd. (ISG)**, the largest **Deltek** Vision Reseller, was selected to its VAR 100 list for 2009.

“ISG is proud to once again be listed on Accounting Technology's Top 100 VAR List. Our success is a testimony to the commitment of our sales and system integration consultants,” said Kevin P. O'Connor, President of ISG. “With the advancements of Deltek Vision, we look forward to providing our clients new and improved solutions to allow more insight into their firms.”

The VAR 100 lists the top 100 resellers by revenue for 2008 that center their practices on the sale and implementation of mid-market accounting software. These organizations own the lion's share of this business out of the thousands of competing companies and firms that compete in this market. ISG moved up 24 spots from the previous year and was listed as the 56th VAR in the magazine's April 2009 issue.

“This has been a difficult year for much of the economy. But many of these businesses have not only weathered the storm, but improved upon their financial results for 2007,” says Robert W. Scott, editor of Accounting Technology and author of Consulting Insights.
